About SAFA

South Asian Federation of Accountants (SAFA), was formed in 1984 for promoting the accounting profession in the countries in South Asia and internationally with a mission to bring the accounting bodies in the region together at a common forum and facilitate professional cooperation in the areas of education, training, technical and ethical standards. SAFA an IFAC network partner has been playing a pivotal role for the harmonization of professional standards in the areas of accounting, auditing, ethics and education and is committed to raise the level of profession in the Region.

SAFA provides special impetus to cooperation amongst its member bodies for the overall growth of the accountancy profession in the SAARC region and explores means in which, it as a representative forum, could play prolific role in the development of the accountancy profession.

The role being played by SAFA for the development of the accountancy profession in the SAARC Region and for the economic development of the Region as a whole has been exemplified through the innovative work being carried through its various technical Committees working in the areas of Education, Accounting Standards, Auditing Standards and Quality Control, Information Technology, Government Accounting, Ethics and many other emerging areas of accountancy profession.

Message

It is an absolute honour and pride to serve as the President of South Asian Federation of Accountants, joining the league of leaders and working towards the development of Accountancy profession in the South Asian Region. My Presidency of our esteemed Federation succeeds the outstanding leadership of determined professionals with vivid and precise philosophies, which has continued to enthuse our organization with formidable forte. While I too wholeheartedly pledge my services to the SAFA and dedicate myself to the profession, I would solicit the synergy of member bodies and energetic professionals attached with those for realization of my dreams.

Accountancy profession in South Asian Region has continued to signify its prowess and capabilities to be at forefront to lead the global initiatives. We at SAFA are committed to nurture the inherent strengths of our profession to enable its constituents scale constantly rising benchmarks of competence.

I am glad to present the first issue of the SAFA E Newsletter for the Quarter January to March, 2023. The objective of the E Newsletter is to keep the members of the South Asian region informed about the initiatives taken by SAFA and its member bodies.

During this quarter, 2 Board meetings and 1 Strategy meeting of SAFA Board had been organised. Meetings of various Committees of SAFA and a number of CPD programmes had also been organised by SAFA Committees. It was pleasing to see the high level of participation at our events. President, IFAC and Past Presidents of SAFA shared their thoughts with Board members at the SAFA Board meetings and SAFA Webinar. The Strategy meeting of SAFA deliberated on issues of strategic importance to SAFA.

I express my deep appreciation and gratitude to our outgoing President, Mr. Hennayake Bandara for his decisive leadership and the initiatives taken in the year 2022. I wish to closely work with the new SAFA Vice President Mr. Heshana Kuruppu and other Board members and look forward to their insightful knowledge, long experience, and dedicated leadership to serve the profession in this region.

CA. Nihar N Jambusaria
President, SAFA

L-R: Chief Guest Mr. Supun Weerasinghe and Founder President Prof. Lakshman R. Watawala awarding the Gold Medal Award to Mr. M.T.M. Ashik and members receiving membership certificate.

NEW SYLLABUS 2023

CMA revised its curriculum every 5 years and launched its new curriculum in February 2023. The theme of the syllabus is '**Equipping Future Accountants**', who are future ready in three areas; **Digitally-enabled**, **value driven** and **solution savvy**.

Technology is the primary driver which creates opportunities and threats in the field of accounting and finance. Developing digitally **enabled management accountants is a key focus of this syllabus** hence it incorporates the latest technological developments in general management, management accounting and financial accounting. The newly introduced course unit 'Digital Businesses' is the best example of this as it talks about the latest digital business deals, methods of transforming a normal business to digital mode and developing the digital competencies of a candidate. Technology skills pillar provides extensive technical knowledge, hands on experience, skills and tools required to work in a digitally enabled corporate world.

Secondly it focuses on grooming **Value-driven** management accountants to integrate and collaborate with the rest of the stakeholders to create and preserve **Value**.

As the last point, it will build wide range of competencies and correct attitude (mind set) in the management accountants **to be Solution-savvy**, so that they will be able to 'take the co-pilot's seat' in supporting the top management in developing and deploying solutions when required.
